- As depth ranges vary on our dives from beginner to technical levels you must ensure that your qualification level enables you to participate in the dive you intend to book yourself onto. We will check qualifications on the day of the dive and anyone found not to possess the appropriate level of qualification will be unable to dive and will not get a refund. We welcome all training agency qualifications whether you are PADI, BSAC, SSI, CMAS, SAA, TDI, SDI, PSA, IANTD and ANDI, what is important is that your level of qualification allows you to take part in the dive(s) you have chosen. If the dive is deeper than 30 metres you will need to be suitably trained i.e. PADI Deep Diver Specialty or some other equivalent recognised qualification. Technical dives are usually between 40 metres - 90 metres. **Qualifications will be checked prior to diving and if you do not meet training or experience minimums you will not be able to dive and no refunds will be issued.**
- All trips are to be booked via our online booking service at www.ukdive.com. Dives must be paid for in full at time of booking and is only refundable notice of cancellation is given in writing at least 21 days prior to the dive date. **No refunds will be issued for cancellations within 20 days of the trip.**
- Non club members will be subject to a £5 per dive booking fee.
- We reserve the right to change or cancel the trips if circumstances dictate.
- All trips are subject to adequate and safe weather conditions, Active Scuba will not be held responsible for trips cancelled due to weather or boat breakdowns.
- The above fees are for boat charter only and are per person, equipment can be hired from us by prior arrangement.
- Required safety equipment for each dive must include **Dive computer, Dive Watch or Timer, Knife or Cutting Implement, Compass, suitable SMB & Reel, Torch and Whistle or other suitable type of signalling device.** Please ensure you possess these items and take them with you on the dives, each diver must have their own set.
- In the interests of safety the appointed dive leader's decision will be final if there are any disputes**
